## THE AIRFLEET ADVANTAGE

**Industry Leader:** AirFleet Capital is dedicated exclusively to supporting your aircraft ownership dream. Our goal is to provide **the most competitive rates, professional service,** & dedication to the industry by **understanding your unique needs.** As lenders, we work hard to find the best programs for buyers. As passionate aviators, we're focused on getting you flying!

### Great Programs:

- Low Rates
- Financing for up to 20+ years
- Commercial/Leaseback terms available
- Programs to compliment your tax strategy
- Refinance/Improvements financing
- Fixed and adjustable rates

### Quick & Easy Process:

- Apply today and receive an approval in 1-2 business days
  - Close within 2-3 business days (The time to prepare/overnight docs back & forth)
  - Regular feedback and contact with AirFleet during the process
- \*Pre-Approval:** Get pre-approved and then conduct your aircraft search with confidence knowing that you have financing in hand.

**Unmatched Service:** We are committed to getting you into your new aircraft!

- Passionate aviators with an entire staff (including pilots) dedicated exclusively to aircraft loans
- Structure programs to fit your unique aircraft financing needs
- Responsive, friendly, & accessible throughout your aircraft financing experience

### AirFleet Takes Care of the Details:

- ✓ Title search before & after the purchase to ensure your interest is properly recorded
- ✓ All necessary paperwork filed with the FAA & copies forwarded to customer
- ✓ Closings coordinated between the buyer, seller, & all other lien-holders/interested parties
